*Oath/Declaration*

1. The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:  
It does not identify the citizenship of each inventor.

It does not identify the city and either state or foreign country of residence of each inventor. The residence information may be provided on either on an application data sheet or supplemental oath or declaration.

It is also noted that the signatures on the declaration are not dated.

[In the amendment of 6/04/04, applicant noted that a new declaration would be submitted to address the above deficiencies that were first noted in the office action of 12/02/03.]

2. Claims 1-7 and 9-12 are allowed.
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Dunn whose telephone number is 703-305-0049.
